d'Origen

Produced from White Garnacha 40%, Chardonnay 17%, Sauvignon Blanc 12%, Gewürztraminer 13%, Muscat 10%, Albariño 8% grapes.

It is a light white straw in colour with green hues and presence of some carbonic due to the youthfulness of the wine. It has the aroma of ripe white fruits (apple, banana, pear) and tropical fruits (pineapple, passion fruit) with a slight presence of vegetal notes (green grass). On the palate it is silky with a medium acidity and a long and fruity aftertaste.
